

Adding new minigame

Minigame should have dimensions 5.06 * 6.35.

- 1) Create prefab of your minigame,
add Minigame script.

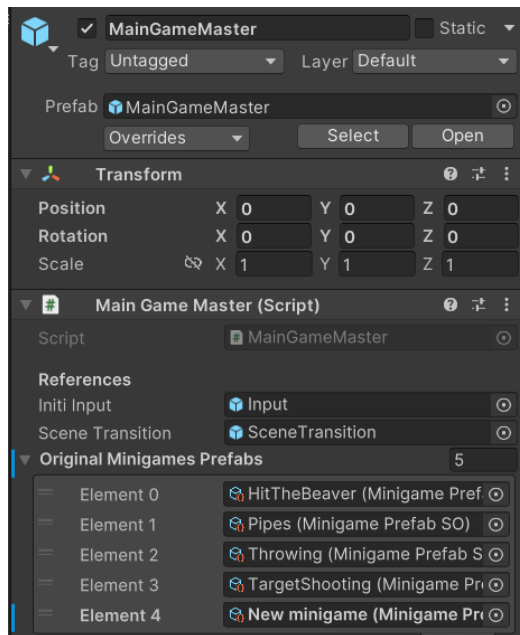

- 2) Create MinigameSO

- 3) Add your minigame prefab to newly created
MinigameSO, add your Intro text.

4) Add new MinigameSO to the OriginalMinigamesPrefabs in MainGameMaster prefab

5) Your minigame is now working!
